

Mid Jersey Association of REALTORS®

New Supra eKEY Features Coming to You Soon

Starting June 12th, your association is providing you with a next-level eKEY app as a complimentary upgrade they've negotiated for their members.

Your fee for eKEY Professional is just \$21.84/mo.*

What sets eKEY Pro apart?

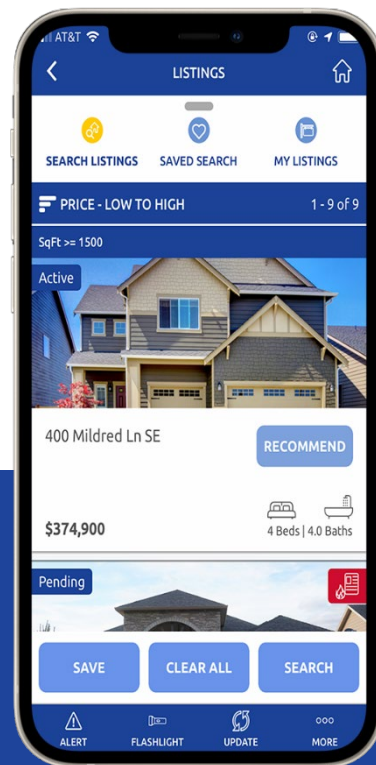

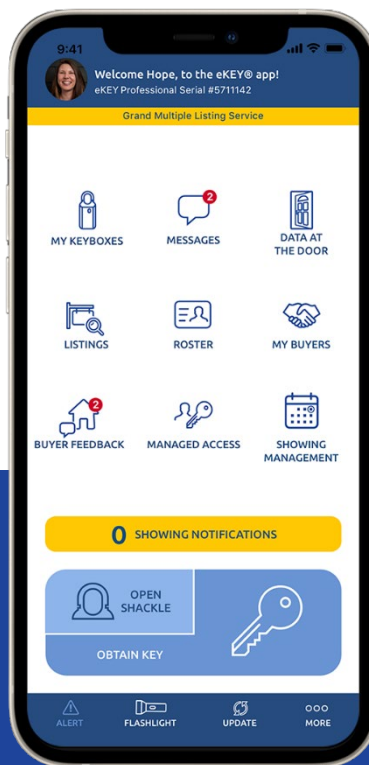

- ✓ View and search MLS listings, even when offline.
- ✓ View agent roster with contact information for all agents in your association.
- ✓ Create real-time property notes that are viewable when opening the lockbox.
- ✓ View map and turn-by-turn directions to listings without leaving the app.
- ✓ Access all essentials of the eKEY app to manage lockboxes and access showing information wirelessly.

Unleash the full potential of eKEY Basic with these features you already have:

- ✓ Set access hours for listings, change keybox shackle codes instantly, and keep track of keybox inventory.
- ✓ Get real-time data at the door, including listing photo and current property notes.
- ✓ Use the phone's biometric feature or the Apple Watch® to effortlessly open keyboxes.
- ✓ Receive real-time showing information when showings start and end.
