**Dues Deductibility Disclaimer:**

For New Jersey REALTORS® dues at \$145.00 per member, New Jersey REALTORS® computes 12.00 percent or \$17.40 to be nondeductible for the member's income tax purposes due to New Jersey REALTORS® lobbying efforts. This non-deductible percentage represents the amount that cannot be claimed as a business expense by REALTOR® members on their 2025 tax returns. For the National Association of REALTORS® 35.00 percent or \$55.00 of the \$156.00 NAR dues may not be deducted from the member's income tax due to lobbying efforts. Please note that the entire \$45 NAR Consumer Advertising Campaign special assessment qualifies as fully deductible.

6. Enter your payment information and verify that all your information is correct before submitting your payment.

7. Print or save a copy of the payment confirmation as your receipt.

\*NOTE: Contributions to RPAC are not deductible for federal income tax purposes. Contributions are voluntary and are used for political purposes. The amounts indicated are merely guidelines and you may contribute more or less than the suggested amounts. The National Association of REALTORS® and its state and local associations will not favor or disadvantage any member because of the amount contributed or a decision not to contribute. You may refuse to contribute without reprisal. Your contribution is split between National RPAC and the State PAC in your state. Contact your State Association or PAC for information about the percentages of your contribution provided to the National RPAC and to the State PAC. The National RPAC portion is used to support federal candidates and is charged against your limits under 52 U.S.C. 30116. Compliance with the Tax Reform Act of 1993 requires that the portion of dues attributable to lobbying and political activities at the State and Federal levels of government be considered nondeductible for income tax purposes.
