

Brought by the MJAR Community Service Committee

MJAR is proud to partner with local food pantries across our region to address the urgent issue of food insecurity.

You can support families in need across Mercer, Middlesex, and Somerset counties by donating essential items to the local food pantries. Your contributions of unexpired canned goods and non-perishable food can make a significant difference. Glass items are NOT allowed.

You can drop off your donated items from May 22 through August 5, 2025, at the MJAR offices listed below. Donated items will benefit the food pantry, which is the nearest to the MJAR office location.
